

Euro-Bilingual Section

Notre-Dame du Grandchamp High School has a long tradition of teaching foreign languages – especially English – with its Bilingual and European Sections, the preparation of the Cambridge Examinations and several cultural exchanges with schools abroad, in the United States and The United Kingdom.

Students in the Euro-bilingual Section:

- Are motivated and ready to work longer hours both at school and at home.
- Their academic level is excellent in every subject.
- Most of them are French native speakers, but some are bilingual (French / English).

The objectives of the Bilingual Section:

- Preparing for the “European Mention” of the Baccalaureate (French version)
- Preparing for the Cambridge Examination (FIRST, ADVANCED, PROFICIENCY)
- Training high-profile students who will perform with great ease in university thanks to all the projects carried out (exchange programmes with partner schools abroad, work placements in London, memoirs, speaking presentations and so on).
- Providing support and recommendations to students who want to further their studies in English speaking countries.

Admission:

- Application (school reports and letter of application)
- Written and oral tests (conducted at Notre Dame du Grandchamp)
